

optometry**scotland**

---

**If you have a problem with your eyes, please do NOT go to your GP or pharmacy.**

Local Opticians and Optometrists are remaining open for emergency and essential eyecare only.

We are also able to offer you general advice, guidance and support by phone, in keeping with Scottish Government Health Department guidance on social distancing and infection control.

We are not permitted to offer routine eye appointments at this time.

If you require any of the above support or services, please contact your own optician in the first instance. If they are not available,

please call:

**John Wallace Optometrists  
Lochgilphead  
01546 602353**
